Half day city tour of Munich with english speaking local guide

In Munich, it's the mix that makes the message. Old meets new, past meets present and future, the modern blends harmoniously with the traditional, bits and bytes with beer, business and leisure. For the visitor, there is never any shortage of sights to see or activities to engage in.

The Bavarian Metropolis with its 1.5 million inhabitants lies virtually at the centre of Europe.

Munich's origin goes back to an early settlement of monks from the Tegernsee Monastery which was called "ad Munichen" (the monks' home).

The situation leading to its later growth was treated by an act of violence of Henry the Lion, Duke of Bavaria from the House of Guelph. At that time the salt transports coming from Reichenhall and Hallein had to go over a bridge spanning the Isar River at Föhring north of Munich. The bridge passage was accompanied by a toll, and this traffic brought considerable revenue to the Bishop of Freising in whose territory Föhring was located. Henry the Lion had this bridge destroyed forcing the salt transports to use his new bridge a few miles upstream in ducal territory. On June 14, 1158, the new bridge, the market, the customs office and the mint at "Munichen" were approved by imperial decree thus in one fell swoop the monastic settlement assumed a completely different function. The rapidly prospering town was selected by the ruling family of the Wittelsbach in the middle of the 13th century as its Residence due to a territorial split and in 1294 it was granted a new municipal charter. During the reign of Emperor Ludwig the Bavarian – of the Wittelsbach family – the city extended its walls six fold and in 1504 it finally became the capital of the reunited Duchy of Bavaria. Under the 700 years of Wittelsbach reign as dukes, electors and kings Munich attained increasingly the reputation of being a European centre of culture.

Year after year, Munich takes gold in German city rankings. When asked where they would prefer to live, most Germans say Munich. The reason is simple: a magic combination of a vigorous economy and top-notch leisure time activities and outstanding cultural offerings.

Welcome back to Munich! Since Pentecost holidays in Munich are finally possible again:

Hotels and guesthouses can welcome guests again, museums and galleries are open again,

Guided tours are again possible, and the catering trade can again entertain guests inside and outside.

We look forward to seeing you again in Munich!

Please continue to keep a safe distance of at least one and a half metres from other people. In addition, wearing a mouth-and-nose protector on public transport as well as in all shops, museums, galleries, exhibitions, etc. is prohibited. It is also compulsory within the catering trade. Non-observance will be prosecuted under criminal law.

BMW Welt

Since it opened in 2007, BMW Welt has become one of Bavaria's most popular tourist attractions. Over two million visitors flock here every year to experience the wide range of exhibitions, events, the children's Junior Program and the guided tours.

Through COVID-19, the generally known protective measures apply in all houses, which means, among other things, a distance regulation of at least 1.5 meters as well as compulsory masks. In addition, the total number of people who may stay in the building is limited.

Half day city tour of Salzburg with english speaking tour

Salzburg was originally known as Juvavum, a trading stop on one of the Roman Empire's most important routes. It declined during hard times after the Goths' attack on Rome, and as the western part of the empire declined, so did Salzburg. All that remained was a small village.

In 696 AD the city was revived. Bishop Rupert was so fond of the area's beauty that he re-named it Salzburg after the river Salzach, and made it an Episcopal See. His successors, the bishops Wolf Dietrich, Markus Sittikusand, and Paris Lodron, were instrumental in creating the Salzburg we know today, especially its majestic Baroque churches, palaces, and castles. Most of the cultural treasures, including the Altstadt (the Old Town) and the Hohensalzburg fortress, are in the western part of the city known as Salzachufer.

One of the world's most outstanding geniuses, Wolfgang Amadeus Mozart, was born here in 1756. His place of birth, Hagenauer Haus, still stands to this day.

After World War II, Salzburg became one of Austria's most important commercial centres as well as one of its largest tourist destinations. One of the major reasons was the 1964 film, "Sound of Music."

The new Salzburg, with its banks, railway and bus stations, Mirabellplatz and many cheap hotels has sprung up on the right side of the river Rechtes Salzachufer.

Vienna is located on the Danube, just at the centre of Europe and near the north-eastern extension of the Alps, largely surrounded by the Vienna Woods.

The city is world-famous for its magnificent imperial heritage, with the Schönbrunn Palace, the Belvedere and the Imperial Palace. The city is also appreciated around the world for its top-notch music and cultural offer with many renowned concert halls, museums and institutions – from the large Musikverein Hall to the prestigious Museum of Fine Arts and the Vienna State Opera.

And let's not forget that Vienna is considered one of the world's most liveable cities and has been awarded this distinction eighth times in a row, confirming the city's status as a metropolis for bon vivants and art lovers, offering its guests an abundance of unique attractions at any time of the year.

Full day tour to Vienna Woods and Melk abbey

On the banks of the winding Danube river, past crumbling castles, quaint towns with orange-topped roofs and vineyards bursting with grapes ready for harvest, is one of Austria's most iconic sites: Melk Abbey.

The monastery is impossible to miss—especially for those approaching the town on a boat cruise—as it's perched high on a hilltop overlooking the beautiful town below. Its sunshine yellow facade is a welcoming sight, and the twin spires and huge octagonal dome make for an inspiring scene.

Half day city tour of Budapest with english speaking guide

Budapest is a very central European and a global city at the same time. This apparent paradox is due to its lively history, its diverse population and the continuous, inspirational blend of cultures.

The city's liberating atmosphere continually stimulates your senses. Budapest's spice derives from its vitality and cultural effervescence, and we Hungarians use the city in a creative way. We are able to do "usual" things unusually well. Let us show you the majestic Buda castle hosting a wine festival, the Liberty bridge turning into a picnic spot above the Danube river, or the unique vibe of the ruin bars in the Jewish District.

It is almost impossible to list everything that is worth doing, seeing or tasting in Budapest, especially because a journey in and around the Hungarian capital will surely lead to personal discoveries as well for each visitor.
